

This is the outside of  
Hackney Empire.

The arrow points to the  
main doors that lead  
into the theatre.

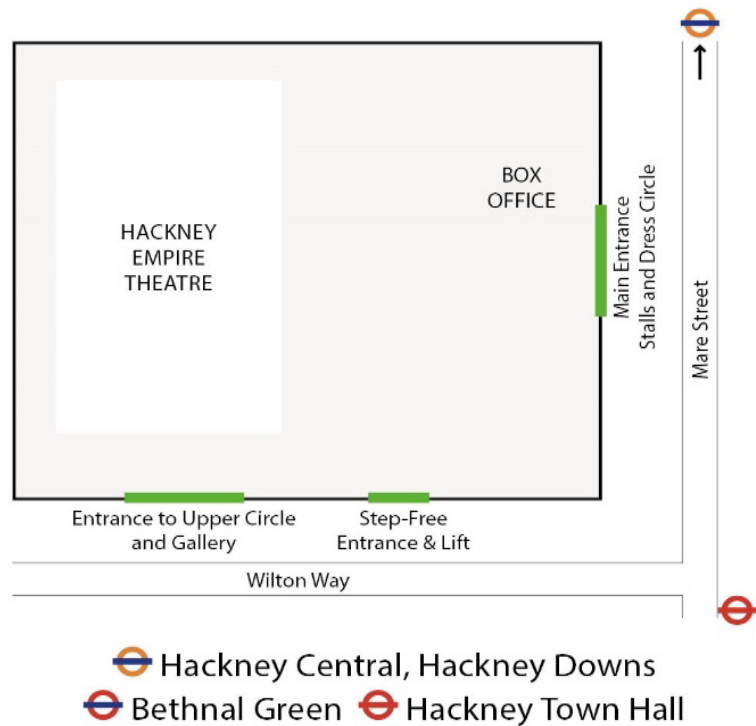

This is the Box Office  
where you can buy  
and collect your tickets.

If you already have  
your tickets you can  
queue up at your  
required entrance to  
get them scanned by  
a member of our Front  
of House Team.

Please use this map or the map on your tickets to find out where your entrance is.

This is the main entrance to the theatre and the Upper Circle entrance.

We have lift access to all floors via Wilton Way.

If you're a wheelchair user, you can enter Hackney Empire using the ramp provided via Wilton Way.

Someone from our Front of House Team will be on hand and happy to assist you!

Once you've gone through the main doors there are 52 steps up to the Upper Circle.

At the top of the stairs a member of our Front of House Team will welcome you in.

This is the Upper Circle, which bends around like a semi-circle.

A member from our Front of House staff member will direct you to your seat. If you have any questions they will help.

Refreshments can be bought from the bar which is located at the back of the Upper Circle.

Please note that we do not sell hot food.

There are toilets on every floor of the theatre, look out for these signs on the wall that will direct you to the toilets you need.

Before the show starts there will be an announcement, letting you know that the show will start in 5 minutes and for you to find your seats. You must be seated before the show starts.

During the interval feel free to walk around and go to the toilet, bar and Foyer. If you want to go outside, make sure you have your ticket with you so that our security can let you back inside.

There will be an announcement to let you know that the interval is ending and you have a few minutes to get back to your seats before the curtain rises and the show starts again.

At the end of the show most people in the audience will clap, which we invite you to join in with. Once the curtain comes back down, people will start to make their way out of the theatre through the same entrance that you came in by.
